Sehr geehrte Damen und Herren,  
mein Name ist Linda Puls, ich bin 23 Jahre alt und besuche seit 2 Wochen die Word-Wide Schule in Ocean Beach, San Diego. Ich komme jeden morgen gerne zu meinem Unterricht, da die kleine aber feine Schule einem ein sehr gemuetliches und heimisches Gefuehl gibt. Meine Klasse besteht nur aus 4 Schuelern und meinem Lehrer. Der Unterricht ueber 4 Stunden jeden Tag, ausser am Freitag, da sind es 3 macht mir viel spass. Wir lernen mit zwei Buechern und machen dazu sehr viel muendlig. Die Word Wide Schule gibt Dir die Moeglichkeit in einer kleinen Gruppe unter Freunden und Frieden Englisch zu lernen. Ich bin noch nie mit so viel Freude und Spass zur Schule gegangen.“ -- Linda Puls (Germany)

"Rose, ...each and every single person at your school has made my experience there a positive one. I looked forward to coming to class every week. [My tutors] were able to effectively use their own expertise and creativity to make each and every class unique, interesting, fun and of course educational. I never felt like I was simply learning from a textbook; each class was structured so as to allow time for reading, writing, listening, and interacting. The effect of this was that every time I left class, I couldn't wait to continue learning on my own, as well. I feel that the time I have spent in language classes at Word Wide has paid off immensely and will continue to serve me for years to come." Jeremy (USA learning Spanish)
